The perfect room starts with the right paint and the best painters.

The professional painting team at Gateway FS knows what they're doing and how to do it right. With 20 years of painting experience, we know what our customers expect and the service they deserve. Whether it's interior, exterior, or commercial, the team at Gateway FS will go above and beyond to leave you with a top quality end result. With the help of our X-rite Color Designer® software, we can color-match to meet your individual needs. If you're a "Do It Yourself" type, our staff is always happy to assist you in ensuring that the paint you purchase is the right product and the right color for your project. That's what makes us the best in the business.

INTERIOR

We protect your home and your belongings while we work, leaving your home looking as clean and spotless as when we walked in. And when we leave, you're left with a newly painted interior, giving you and your home that fresh look you've longed for. Our products are easy to maintain and have a stain resistant, latex coating. Our blends have the dry time of latex with the tough scrubability of oil.

EXTERIOR

When painting the exterior of your home, outbuilding, or other structure, our professional team of painters always takes great care of our customer's landscape, walkways and any other belongings surrounding the work area. Our exterior paint crew is equipped with a 70 foot boom truck, self-contained high-pressure power washer, and an airless paint sprayer. There's no project too big or too small as our team can paint just about any type or size of surface.
